

CHECK-OUT PROCEDURE

Check-out time is 10:00 AM. Please be prompt.

A great deal of work must be done to prepare a house for guest arrival, and a delay in your departure may result in the house not being ready by 3:00 PM for the next guests. Like you, they are excited and want

to be in their vacation home on time. These homes are privately owned and well loved. We do not expect you to clean the cabin before you leave, but please do leave it as neat and undamaged as you would hope someone would leave yours.

- * Please place all dirty dishes in the dishwasher and start it prior to leaving the cabin. This may take you more than one load if they were not done throughout your stay. (Dish soap is provided - Glass coffee carafe & filter basket and glass or plastic blender cup may be washed in dishwasher).**
- * Pull comforter/quilt back on all beds that have been used so we are aware that the linens need to be serviced.**
- * If you use a sleeper sofa/futon, please strip the bedding before folding it up and place the linens in the laundry area. (Please return sleeper or futon to normal sitting position).**
- * Place all used towels, washcloths and kitchen linens (including pot holders) in the bathtub or in the laundry area. (No wet towels on the wood floors, please).**
- * Please return all game and puzzle pieces to their proper boxes and return them to their proper location.**
- * Please make certain that your GARBAGE IS WRAPPED AND SECURED TIGHTLY IN GARBAGE BAGS AND PLACED IN THE DESIGNATED AREA LISTED AT YOUR HOME. DO NOT LEAVE YOUR TRASH OUTSIDE AS IT WILL ATTRACT WILD ANIMALS.**
- * If you used the grill, please ensure that it, along with all utensils, has been left clean, the propane bottle for the gas grill is turned off and the cover is on.**
- * If you used a wood burning fireplace, please make sure that all ashes have been taken out to the metal ash can provided. (No ashes or unburned wood in the plastic cans please - even if you think that they are cool).**
- * The owners prefer that their items not be moved. If you must move an art object or piece of furniture, please return it to its proper location before leaving the cabin.**
- * Turn thermostat for heater to 60 degrees in the winter months, unplug any space heaters.**
- * Turn off all lights, ceiling fans, TV's etc...**
- * Please lock all doors and windows. (Please do not leave our owner's items vulnerable to theft by leaving the cabin unsecured.)**
- * It is very likely that guests will be checking in on the same day leave. To reduce confusion, please make sure that you have all of your personal items before locking the door.**
- * Ski passes must be left at property at check-out time.**
- * Leave the keys and garage door opener on the kitchen counter, pull the locked door shut behind you and...**
